

Wales - 6 nights

Often overlooked as a destination by visitors to the UK, Wales has stunning scenery, beautiful coastlines, magnificent castles, culture and an individual language. A holiday to Wales can offer a breathtaking experience. Be sure to visit some of the wonderful gardens of North Wales, take the train or climb Snowdon if you feel energetic, see Caernafon or Conwy castles and explore Llandudno, the popular holiday resort dating from the Victorian era.

Your itinerary could include visits to:- the ruins of Tintern Abbey, the fairy-tale Italianate village of Portmeirion, Colwyn Bay Mountain Zoo or some of the many fabulous castles that litter the coast and border of Wales.

2 nights Brecon Beacons
2 nights Mid Wales
2 nights Snowdonia

For a long holiday that links Celtic Wales with its Cornish Celtic cousin, why not link this tour with that of the West Country? Alternatively extend your tour into Pembrokeshire or visit the medieval and Roman city of Chester.
